**WEB PAGE FOR BUSINESS MEMBERS**

CAN CONSUMERS FIND YOU? One of the most valuable benefits of joining the EDC is your own business web page at [ShopCalaveras.com](http://ShopCalaveras.com).

It provides shoppers across the county the ability to find what you sell simply by entering key words.

Whether you're on Main Street or have a home-based business, consumers will find you and what you sell at [ShopCalaveras.com](http://ShopCalaveras.com).

What do you spend in advertising? For the cost of one temporary ad in the news media, more buyers can find you - all year long!

Your web page includes unlimited text and key words, graphics and a Google map with directions to your location.

To learn how it works, click the membership tab at [CalaverasLife.com](http://CalaverasLife.com) or call (844) VIA-GOLD.
